

Santa Claus Oath

I, solemnly swear to uphold the spirit of Christmas and embody the essence of giving and joy throughout the holiday season and beyond.

I pledge to bring warmth and cheer to all, young and old, spreading happiness and goodwill wherever I go.

I will listen with an open heart and mind to the wishes and dreams of those I encounter, striving to fulfill them with kindness and compassion.

I will cherish the season's magic, knowing that the greatest gift I can give is my presence, love, and genuine care for others.

In the company of fellow Santas, I will foster a sense of unity, support, and camaraderie, upholding the traditions and values that make Santa Claus an enduring symbol of generosity and love.

With the powers bestowed upon me, I promise to create lasting memories, inspire hope, and kindle the spirit of wonder in the hearts of all who believe.

I dedicate myself to spreading joy, love, and the true meaning of Christmas, following in the footsteps of the legendary St. Nicholas with humility, compassion, and a twinkle in my eye.
